NOTICE OF PUBLIC HEARING

Pursuant to the authority vested in it by the General Statutes of North Carolina the Board of Conservation and Development hereby serves notice of a public hearing to be held at the schoolhouse in Poplar Branch, North Carolina, on Monday, September 27, at 11:00 o'clock. The purpose of this hearing will be to consider a proposal to increase the distance from the head of pound nets to gill nets from 400 to 600 yards when said gill nets are operated in that part of Croatan Sound lying north of the line running from Northwest point on the north end of Roanoke Island to Reeds Point. This hearing will follow immediately after the hearing set for the same hour and date and place to consider a proposal to close the waters of Currituck Sound to commercial fishing each year from April 10 to September 15. Proponents and opponents of the proposed change will be heard.
