All hours of reckoning must

ome and ours will fall on Friday, the fifteenth of April at eight o'clock in the evening, when "She Stoops to Conquer" is put on at the Manteo High School auditorium. After much frenzied sweating and whip-cracking over reluctant heads, the play is (we ardently hope) ready for the stage. And since this will be the last article you will see about this play, we VFW Post and the Jamboree sponwill give you a clue or two as to what is going to happen on that sors. fateful night. This event will, as you probably know, take place in the school auditorium. This was mainly due to the fact that we want a small, select audience that will only fill the auditorium at whether it would profit us to take it to Broadway.
