THANKS

We want you to know that we really appreciate the huge turnout for our grand opening this week, when we opened our new restaurant in Manteo. You really kept us hopping for a good while.

We invite you to continue dining at our place, and enjoy the daily specials, as well as anything else good to eat.

Our enlarged quarters gives plenty of room for us to work now, and we expect service to be better than ever. Seating room allows us to serve forty-five, doubling our old capacity.

We will appreciate any comments you may have, that we may provide the best service possible. Again, let us say that we appreciate your business, and especially on our opening day.
