EVERYDAY RELIGION

By Rev. Robert W. Turner

GIFTS OF GRACE

It is quite obvious, even to the casual observer, that the world's Creator has filled His creation with an abundance of natural gifts for Man's use and enjoyment. For all of these we are duly thankful, being well aware that the barest existence would be impossible without them.

It is also plain that Man, God's highest form of creature, often abuses the natural creation meant for his enjoyment by a deliberate misuse, individual and corporate, which brings upon the body of humanity a radical judgment of God which is but the operation of natural and spiritual laws. Due to pride, Man may then attribute these personal errors on his part to the inscrutable ways of a Divine Ruler, thereby making Almighty God the "scapegoat" for his own sin. Thus does Man's original sin bring in its train a whole family of lesser, but no less disrupting, sins, which throw nature out of joint and give rise to the belief that we live in a chaotic world without rhyme or reason.

In such a world, Man's whole deepest nature is frustrated, and each individual man who loves both God and freedom is sorely tempted to live by his own wits and do the best he can by himself until he lives and dies in the midst of a frustrated existence, still wondering what it is all about anyway.

To such men in just such a world, "God sent His Son" to solve the riddle of frustration; remove the sin of pride in which it had originated and so open the Way of Truth and Righteousness for all Men of God Will into a Community or Family of Man where the "ancient curse" is removed and Peace is restored, by God's Act of Love, between God and Man His Creature. God's Church (the family of men in Christ) is His appointed agency or means of grace to enable and help all men to fulfill the Divine Purpose of ABUNDANT LIFE FOR MEN IN FULL FELLOWSHIP WITH GOD, THE FATHER OF ALL CREATION. Within this divinely appointed fellowship of believers, the Father gives WISDOM and UNDERSTANDING, COUNSEL and SPIRITUAL STRENGTH, KNOWLEDGE, TRUE GODLINESS AND HOLY FEAR (AWE) to those who ask.

According to Senator Byrd of Virginia, "There is not a department of this government that can't be cut by 5 to 10 per cent and still function in an effective way—except for those items that are fixed by their cost."
