WIDE RANGE OF UTILITY IN FORD'S NEW LINE OF TRUCKS

FORD TRUCKS which led the industry in retail sales for 1957 will offer in 1958 the widest coverage of any manufacturer in the volume truck market. The wide range of utility and work capacity is demonstrated by the powerful tilt-cab (left), and the spectacularly successful Styleside pickup. Mechanical and design advances include new grilles and safety dual headlights, customized interiors and modern styling, and increased horsepower and payload capacity in many models.
