

### CLEANER COUNTY AIM OF WOMEN'S GROUPS IN DARE

Courthouse Object of Attention  
Tuesday by Home Demonstration Club

The disgraceful condition of the Dare County courthouse grounds drew the attention Tuesday of the Manteo Home Demonstration Club, whose members went down and cleaned up most of the trash which littered the yard, even while the Board of Commissioners were in session at their monthly conference puzzling how to waste more money and charge higher taxes.

The courthouse yard is usually littered with old paper, pop bottles, and anything else the public takes a notion to discard, and continues this way for months, meaning nothing at all to the numerous overpaid county employees who sit within.

The home club group who assumed this responsibility Tuesday are Mrs. Hattie Olsen, Mrs. Irene Basnight, Mrs. Zenovah Etheridge, Mrs. Tracy Ward.

Other groups working on the clean-up campaign in Dare to prepare for the tourist season are the Roanoke Island Garden Club, whose projects are the intersections going toward the Wright Memorial Bridge and the Lost Colony; the Wanchese home club, the community school yard; Manteo Woman's Club, park area at the end of Roanoke Island.

Myrtle Daniels Missionary Society at Wanchese, the forks of the road in front of the Wanchese Church, Manns Harbor Home Club, the school lawn. Buxton Home Club, the Health Center. Stumpy Point Home Club, the entire local area. Manteo Lions Club, the Croatan Bridge to triangle going to Wright Memorial Bridge.

Frisco Home Club, beautification of Little Grove Methodist Church, Rodanthe Home Club, Community Building and church. Hatteras Home Club, improvement of community building in its entirety.

Mrs. Julian Oneto of Nags Head is the community leader working on a project of a simple clean-up campaign to beautify the whole beach area.

A film on the beautification of yards is available at the office of J. L. Rea, county agent for groups which wish to show it.

On January 30th, at a beautification planning meeting held at the Dare County courthouse, it was decided to divide the prize money, \$100 into one main prize for groups or clubs of \$50 and individual prizes of \$5 for ten or more individuals in various areas of the county.

### HOME DEMONSTRATION CLUB'S RE-UPHOLSTERING PROJECT

For two days last week in the Community Center at Manteo, Miss Fran Alexander, Dare County home agent, conducted a Home Demonstration Club county re-upholstering project with the assistance of Miss Josephine Cusick and Miss Anne Brown, specialists in this work, of N. C. State College Extension Division, Raleigh. During the project, five chairs were completely dismantled and rebuilt. Attendance at the workshop project was better than expected considering that it was rainy and foggy on both days. Some of those taking part in the program are shown in the above photo. Leaders in this enterprise hope that additional prize money may be contributed. Score sheets for the beautification contest may be obtained from either the county home agent or the county farm agent in the courthouse.
