CHURCHES MATTAMUSKEET CHARGE STUDY AFRICA
The members of the Woman's Societies of Christian Service of the Mattamuskeet Charge held a mission study course on Thursday, January 14, at Watson's Chapel on the theme of mission work in Africa. Lunch was served by members of the Woman's Society of Watson's Chapel.
Chapters of the study book were reviewed by Mrs. Angus Cameron, Mrs. Harry Jarvis, Miss Ione O'Neal, Mrs. Glenn Jarvis, Mrs. Beamon Berry and the Rev. Angus Cameron. A film, "Congo Journey," was shown. Thirty women attended the meeting, representing the four societies of the charge churches.
On Thursday night the Methodist Youth Fellowship of Watson's Chapel sponsored a youth mission study session on Africa. Chapters of the book for youth were presented by members of the MYF and the film, "Congo Journey," was shown. Attending the meeting were young people from the four churches of the charge, Watson's Chapel, Engelhard, Amity, and Bethany.

SHARON GIBBS HAS FOURTH BIRTHDAY PARTY
Sharon Gibbs was given a party celebrating her fourth birthday by her mother, Mrs. James E. Gibbs, at their home in Swan Quarter.
The little ladies were greeted at the door by Sharon and given party hats and balloons.
The dining table was covered with a green cloth and centered with a birthday cake containing four lighted candles. Games were enjoyed, and "Happy Birthday" was sung after the gifts were opened and displayed; refreshments of cake and ice cream were served; also blow gum suckers.
Guests were Linda and Pam Cuthrell, Lou Spencer, Amy Swindell, Von and Cathy Brickhouse, Renee Cahoon, Peggie Ann Carawan, Trilliss and Linda Pendleton, and Sallie Marie Carter.

WINSTEADVILLE—The Community Woman's Club met Friday night at the home of Mrs. D. O. Selby with Mrs. Selby and her daughter, Mrs. Darrell Sadler, as associate hostesses. The new president, Mrs. O. E. Selby, greeted members on arrival and presided during the business session.
When the business was completed the hostesses entertained the group with, "Name That Tune," bingo. There were several winners and each was presented an attractive prize. The door prize went to Mrs. Bernice Davis.
The hostesses served ginger short cake, toasted nuts and chilled bottled drinks to the twenty-two members and a former member, Mrs. Olive Winstead of Goldsboro. Before leaving for their homes the members exchanged Forget-me-not gifts.

NOW IN GERMANY
and was formerly in restaurant business in Jacksonville.
The competition was designed to determine the efficiency of tank crews in the 4th Armored Division, a major part of the NATO shield of defense in Europe. He went overseas last November on this tour of duty, is a tank commander in Germany with him. He is a 1948 in Headquarters Company of the Division's 87th Armor in Furth.

I'M PLANNING FOR ANOTHER GOOD TOBACCO CROP RIGHT NOW!
"Top dollar tobacco at selling time depends on getting a good start at plant bed time. And I'm going to be sure I'll have plenty of sturdy, well-rooted stock for transplanting again this year."
"Robertson's OLD RELIABLE PLANT BED Fertilizer in a carefully prepared seed bed is the answer. You can't beat experience, and Robertson's Plant Bed Fertilizer has been proved by the results it gets year after year for generations."
"There's not a lot of fertilizer in a plant bed — but an awful lot depends on it. Your whole year's work, and the price you get next fall are influenced by the start you get in the next few weeks. So I'm starting with Robertson's PLANT BED SPECIAL and staying with Robertson's Tobacco Fertilizers right through the year. That's what got top dollar for me last fall — and I figure there's no better proof of good fertilizer than the figures on my warehouse receipts."
Robertson's, the "Better Ingredients" fertilizer, made right here in this section, especially for local soils, is the logical choice of more and more good farmers in this section — a choice that's based on experience. Get a good start on next year's tobacco with Robertson's PLANT BED Fertilizer. See your Robertson agent now.

WORTH MORE BECAUSE THEY WORK MORE
Chevy's new torsion springs and Sturdi-Bilt design are changing everybody's ideas about how much work a truck can do. Last year's schedules are out—Chevrolet trucks ride faster over the rough runs to get in more trips a day! Big repair bills are no longer a problem—Chevrolet trucks soak up punishment that means downtime to other makes! And trade-in time's put off for extra thousands of miles—'60 Chevrolet trucks stay new like never before!

New Dollar-Saving Prices
Step-Vans, 4-Wheel Drives, many light-duty models with automatic transmissions—all are lower priced. Prices have also been reduced on all optional V8's.

New Torsion-Spring Suspension
Eliminates I-beam shimmy and wheel fight! With torsion springs up front there's a brand-new, smoother, easier handling feel behind the wheel. New rear suspensions include wide-based coil springs in most light-duty models; tougher variable-rate leaf springs in medium- and heavy-duty models.

Electronically Balanced Wheels
Front wheels and tires are balanced at the factory. Helps make that new ride revolutionary!

New Cabs—Wider, Safer, More Comfortable
Many models are a whole 7 inches lower (without sacrificing road clearance), so it's easier to hop in and out of cabs. Still there's more space inside: more room for hats and hips, more foot room with suspended pedals. Cabs are safer, too; new build makes them 67% more rigid.

Plus Improvements All Through the Line
A new steering linkage system that cuts vibration, means better control. There's new V8 efficiency. Sixes long famous for saving. New key-turn starting. Higher, wider visibility. Talk to your Chevrolet dealer about the world's most advanced trucks.

"Daddy always calls when he's out of town!"
When you're knee-high to a grasshopper, this is a mighty big thrill! Pretty soon now the phone will ring. And daddy's big, happy voice will tell his baby-lamb all of the things that make her feel protected, cherished, loved.
Keeping families close is just one of the nice things about Long Distance. Other nice things: it's fast, easy to use, low in cost. Isn't there someone you'd like to call today?
When you call Long Distance, remember:
It's faster when you call by number.
It's cheaper when you call station-to-station.
