ENGELHARD'S FFA

Future Farmer of America members throughout the nation had many special activities to focus public attention in the work of their organization during National F.F.A. Week Feb. 20-27. The Engelhard chapter's plans for F.F.A. week observance:

(1) Posted "National F. F. A. Week" posters and "F. F. A. Week" stickers in store windows and other public places.

(2) Wrote for local newspaper a story about chapter's current program of work, telling the number of members, names of officers, past and present activities, and plans for the rest of the year.

(3) Arranged a special school assembly with program by F. F. A. (4) Members who owned F. F. A. Jackets wore them during the week.

(5) Invited eighth grade boys to special F. F. A. Meeting.

The Engelhard chapter has 26 active F. F. A. members. Officers: President, Hoyt Whidbee; Vice-President, David Gibbs; Treasurer, James Twiford; Reporter, B. L. Gibbs; Secretary, Charles Midgett; Sentinel, Jerry Gibbs. P. T. Long, Vocational Agriculture Instructor serves as Advisor of the Chapter.

The National Future Farmer organization has 380,000 members, with 9,000 local chapters in the fifty states and Puerto Rico.

In North Carolina there are active chapters in 98 of the 100 counties. 444 local chapters with 23,600 active members.

Future Farmers choose the week of George Washington's birthday each year for observance of National F. F. A. week. Although generally recognized as a Revolutionary War General and our first President, Washington's first love was the farm he called Mount Vernon. There, he was one of the first in the nation to practice contour planting, crop rotation, fertilization and other soil conservation and improvements methods. It was however more than a century after Washington's death before use was made of many of the sound agricultural practices that he advocated.

Some of the accomplishments of the Engelhard Chapter during the present school year are as follows: Last fall the chapter sponsored a circus as a means of raising Chapter funds and made about one-hundred dollars.

A program of work was made out at the beginning of the school year being set up on a committee basis, and was submitted to the District Supervisor before November.

Members of the chapter assisted the P. T. A. in putting on the Fall Festival.

The local chapter has participated in the following Federation Contests: Land Judging; Crops contest and Tool Identification contest.

The chapter plans to enter the two remaining contests: Livestock Judging and Field day.

ACTIVITIES OF METHODIST WOMEN IN BELHAVEN

The W.S.C.S. of Trinity Methodist Church met on Tuesday night in the social hall of the church with Mrs. Lucy Smith presiding. Mrs. E. W. Midgett, program chairman talked on Christian African Woman. Using a map, Mrs. Midgett pointed out the Mission Stations and discussed the conditions and problems facing each. The purpose of the program was, to deepen interest in the Women of Africa and to show that Christian women have many of the same concerns no matter where they live and to present a few of the special problems that come to the women of Africa. Some of the subjects under discussion were, should girls go to school as well as boys? If a woman who is one of four wives of a man becomes a Christian should she be allowed to join the Women's Society? Should a young girl be forced to marry the man of her family, or should she be given the privilege of ac-
