ATLANTIC TOWNSHIP NEIGHBORS
RECOMMEND T. J. (JEPP) HARRIS
FOR COUNTY COMMISSIONER

As one good neighbor to another, we recommend Thomas Jefferson (Jepp) Harris to the voters of Dare County in the Democratic primary for County Commissioner from Atlantic Township. We believe he stands for what is best for Dare County and stands highest of those who are available for this office. Atlantic Township includes the voting precincts of Kitty Hawk, Colington, Kill Devil Hills and Duck.

We recommend Mr. Harris to our neighboring townships in Dare County for the following reasons:

He is a lifelong resident of Dare County with a wide acquaintance among our people and is highly regarded the length of our county. He has been a fisherman and a working man. He has been officer in charge of men in the Coast Guard; he knows how to work with people and to get along with people.

He has full educational requirements, and better still, he has level-headed commonsense that will enable him to work with others, and to see the needs of all sections of the county.

He will do no harm and will say no harm of anyone, and he is a man we can all be proud of. We deserve a man like this to represent us; we will support him fully, and we recommend him to the entire county.

**CHEVY! YOU
CAN'T BUY ANY
CAR FOR LESS
...UNLESS IT'S A
LOT LESS CAR!**

Anyone who's looked around knows the majority of Chevrolet models—6's and V8's together—list for less than comparable models of other low-priced cars. But the price tag alone is only one of a whole raft of reasons a Chevy does better by your dollars.

Nothing near Chevy's size and price can match the Full Coil cushioning of its ride, or the fine, finished workmanship of its Body by Fisher. That even applies to some cars that cost a lot more. You're up in the higher price brackets before you find a car that moves as quietly as a Chevrolet or offers the inner space that Chevrolet does.

Or look at the extras Chevy gives you—at no extra cost—that others in its class can't offer at any price. Shock-cushioned steering. Safety Plate Glass in every window. Keyless locking of all doors. Crank-operated vent windows. Chevrolet offers the widest choice of power teams, too. Drive a Chevy just once. You'll have a tough time settling for anything less.
