YOU'VE HEARD ABOUT IT! HERE IT IS! THE LETTER YOUR CONGRESSMAN, HERBERT C. BONNER RECEIVED AFTER VOTING IN FAVOR OF THE LANDRUM-GRIFFIN LABOR BILL!

JAMES B. CAREY President AL HARTNETT Secretary-Treasurer

INTERNATIONAL UNION OF ELECTRICAL, RADIO AND MACHINE WORKERS AFFILIATED WITH THE AMERICAN FEDERATION OF LABOR and CONGRESS OF INDUSTRIAL ORGANIZATIONS EXECUTIVE 3-6094 1126 SIXTEENTH STREET N. W., WASHINGTON 6, D. C.

August 18, 1959

Dear Congressman:

Only you know, in the privacy of your own conscience, whether you carefully considered the possible consequences of the Landrum-Griffin bill when you voted for it on August 13, 1959. If you did, and realized that it is a punitive, repressive measure intended to weaken all labor unions and thereby all working men and women, you have much to answer for. If you did not, and merely yielded to the pressures of the Chamber of Commerce and the National Association of Manufacturers, your guilt is perhaps even greater.

You should realize now, if you did not during the heat of battle, that this vindictive assault on the labor movement will, in the long run, prove to your constituents that you are less interested in individual rights and democracy than in property rights and the concentration of power in the hands of big business.

You may believe that you are safe in such action because organized labor is relatively weak in your District, and cannot call you to account for the damage you have sought to do to it. You may be right -- at the moment.

We wish to assure you, however, that we shall do all in our power to prove to the working men and women in your District that you have cast your lot against them and they should therefore take appropriate action at the ballot box.

Very truly yours,

James B. Carey James B. Carey President

"I AM IN FAVOR OF ORGANIZED LABOR. BUT I AM FIRMLY OPPOSED TO THREATS AND GANGSTER METHODS OF SOME WHO HAVE INFILTRATED THE RANKS OF LABOR."
