OFFICIALS FAVOR A \$700,000 PROJECT

Governor Hodges and Director

Wirth Discuss Possibility for

Elaborate Extension

A proposition for a \$700,000 de-

velopment at Fort Raleigh Histor-

ical site on Roanoke Island was

discussed Wednesday in Washington by Governor Luther Hodges

and Conrad Wirth, Director of the

National Park Service. This is in

line with previous announcement

that N.P.S. had been contemplat-

ing expenditure of \$400,000 dur-

plan would involve:

center and museum.

ing facuities.

plans.

standard by 1966.

historic Roanoke Island site.

Construction of a visitors

• Improvement of tourist park-

Restoration on an improved

door theater which was wrecked

Wirth emphasized the discussion

by the National Park Service, but

that the park service was "defi-

development in its "Mission 66"

Wirth said, however, efforts

cost of which is estimated at \$200-

The federal share would go to-

last fall by Hurricane Donna.

RONALD PAYNE, 17 KILLED IN AUTO MISHAP, WANCHESE

Death Occurs at Midnight; Five Occupants of Car Overturned at 10 p.m. Near Church

A car in which five young Wanchese youths were riding overturned at Wanchese Wednesday night about 10 p.m. Ronald Payne 17 died of injuries, Cary Stetson 21, suffered severe gashes on leg and thigh. The three other occupants of the car, David Daniels 13, Richard Scarborough 13, and Donald Payne, the driver, suffered bruises.

Twiford's ambulance went to the aid of the injured boys, and after reporting to the office of Dr. W. W. Harvey, Jr., took Ron-ald Payne to Elizabeth City hospital where he died on arrival about midnight.

There was no patrolman in Manteo at the time and Sheriff Frank Cahoon and Deputy D. F. Twyne went to the scene.

The driver lost control of the car at the fork of Highway 345 with the Wanchese wharf road, and skidded a distance of 321 feet, turning over several times. Ronald Payne, and Stetson, who had neck injuries and cuts, were thrown from the car. All the glasses were broken and the car is a total wreck. It is a 1955 Ford owned by the dead boy's father.

It was reported in the community that the accident followed a race along the highway, with an unidentified car at a speed of 110 miles per hour, and the car could not be slowed down in time to make the curve toward Mill Landing.

Payne was the son of Wesley Corbett and Ida Daniels Payne, and a lifelong resident of Wanchese.

He was a driver of one of the Wanchese school buses.

Besides his parents, he is survived by a twin brother, Donald Payne, the driver, two other brothers, Corbett and Jarvis Payne, a half sister, Mrs. Norman Paquette of Oxford, Mass.

He attended the Assembly of God church at Wanchese from where the funeral will be conducted Friday at 2 p.m. by the Rev. Carroll Daniels, Burial will be in the Cudworth cemetery.

MORE MOTELS ON DARE BEACHES FOR COMING SEASON

Two new motels are underway for the coming beach season. John Bell, super-market operator at Nags Head is erecting a 22-un motel north of Parkersons which will be of modern construction, and having a capacity of 47 beds R. O. Ballance, Manteo contract-

or is beginning constrauction of ten units, the first of a motel to be built by Horace F. Parker of Portsmouth, Va. on lower Nags Head, northward from the Tar Heel Motel. Mr. Parker, who is a summer resident of Kitty Hawk beach, is a native of Gatesville.

Enlargement of several business properties has been begun on the each. Donald Dough has recently added to his store aand service station at Kill Devil Hills.

EVANS OFFERS PLEA FOR LEADERSHIP FROM AREA

Merrill Evans of Ahoskie, former Highway Commissioner, in a speech last week before the Engelhard Rotary Club recommended the development of leadership from the northeastern section of the state that can go to Raleigh and hold its own with leaders from other areas.

The extent of the development of this region will be determined by the energy and vision of those who participate in it," Mr. Evans told the club. We have been held back, he said, because we had few people, and were far from Raleigh, aand we have lacked trained technical leadership. He pointed out the great value of the proposed road from Virginia Beach to Nags Head.

He recommended development of Bishop, Pantego. a sense of emergency to act now to get this region moving ahead, and to get its fair share of roads. ulate final plans for the county-The speaker was presented by wide meeting of Jan. 26. Mrs.

EXTERIOR AND INTERIOR VIEWS OF THE NEW VISITORS' CENTER AT THE WRIGHT MEMORIAL

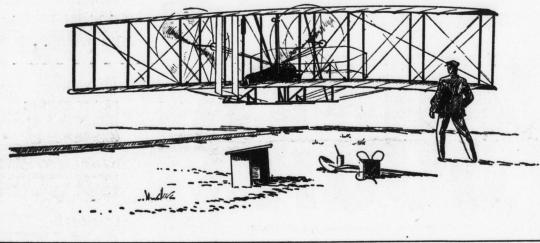

David Stick

Kill Devil Hills, H.xxx

THE NEW VISITOR CENTER, which cost \$300,000, at Kill Devil Hills, scene of the first airplane flights in 1903, is shown from the exterior in the top picture. Bottom picture is an interior view. Below these lines you will note a picture of the first airplane to fly. Impatient people might well gain a lesson from meditating on the fact that all great things grow slowly, and might compare the feeble beginning made 57 years ago by the Wright Brothers in Dare County, with today's airplane industry, which can circle the world in non-stop flights, and move faster than the speed of sound.

CAMPAIGN BEGINS FOR CENTRAL HIGH SCHOOL-BEAUFORT

Mrs. John Winfield Named Chairman of Committee To Work on Proposal

A central high school to serve Belhaven, Pantego and Bath areas of Beaufort County is the objective of a committee formed last parking law lighted up the Deweek, and of which Mrs. John Winfield has been made chairman, Jasper Warren of Chocowinity has been elected Vice-Chairman. An educational campaign is to be conducted in Beaufort County to acquaint all people with the pro-

Several citizens have volunteered to go before civic clubs and others to discuss this situation.

The steering committee on Dec. set a county-wide meeting at the Washington High School auditorium on Jan. 26 for further discussion in the form of a panel on which will be Dr. John W. Wilson, superintendent of Mecklenburg County schools. Dr. I. E. Reedy, director of curriculum for N. C. Department of Education, Guy Swain, formerly of Aurora, now school superintendent of Rowan County, Gene Purvis, Belhaven Principal, Mrs. Linwood Harrington, Bath P.T.A. President and a parent, J. D. Davenport of Bath, school committeeman, Mrs. Rachel Swindell of Bath, teacher, and the following five students: at Galloway, Aurora, David Clark, Chocowinity, Leroy Waters, Bath, Roperta Taylor, Belhaven and Lou
