Gilt Projects

The first pigs born from gilts in Tyrrell County 4-H gilt project arrived last week. The proud owner is Ronald Reynolds, Jr. As so often happens the pigs were born on a cold rainy night. The next day snow fell until ground was covered. Temperatures that night fell to 15°.

However, Junior was pretty well prepared for the extreme conditions. His A-type farrowing house was tightly constructed with a floor. Ample straw, but not too much was provided.

In spite of efforts to prevent any loss of the pigs, one of the eight pigs did not live. The other seven apparently are doing fine.

Other boys with gilts in the project are George Griffin Owens, Dwight Ainsley, and David Barnes.

The project is sponsored by Gwatney Company of Smithfield, and Owens Supply Co. of Columbia.

Several games and contests were enjoyed by the members and gifts were exchanged. Christmas carols were sung by the group.

The hostess, Mrs. Swain, served punch, cookies, nuts and candy from a lovely arrangement of magnolia blossoms lighted by Christmas lights.
