# PURE Firebird Super

with Tri-tane

1. Cuts down on engine wear!
2. Saves you money on repairs!
3. Keeps your engine at the peak of its power!

You may feel these benefits are a little hard to believe since there's a general feeling that all gasolines are "pretty much alike." But new PURE Firebird Super contains something found in no other gasoline—Tri-tane.

This exclusive combination of additives was developed after five years of research and over 4½ million miles of tests. What it does is reduce piston ring wear, pre-ignition and compression loss, increase spark plug life, virtually eliminate the need for carburetor cleaning and adjustment.

Try some—see if it doesn't do everything we say it will do.

New PURE Firebird Regular—If your car runs well on regular, chances are it will run even better, farther, on PURE Firebird Regular. And you'll enjoy greater economy. PURE Firebird Super or Regular are yours at no extra cost.
