My sister and brother-in-law, Mr. and Mrs. Rex Wilroy, often send me a copy of your wonderful Coastland Times as they know I have been boasting the South for years, as the reprint from the Chicago Daily News editorial will show. Your two editorials last week were outstanding and should be read by everyone interested in the growth of the South. People are here from every state and they seem to think half of Virginia and N. C. were washed away by our recent storm, but your paper is full of constructive news that the nation should read. I therefore suggest that the powers that be around Manteo buy and mail at least 5000 copies of Coastland Times per week to prospective visitors so the nation may enjoy your fine beaches and climate. Florida spent two million advertising her beaches and mails a million local newspapers per week; with good results N. C. should do the same. As an old Southern Booster I contend the South has no finer program at the school, will feature modern square folk creative and tap dances. The ballet, "Dance of the Tulip," will be a main feature. The group is coached by Mrs. L. A. Downing, fifth grade teacher.
