ASSAULT CHARGES LEVIED AGAINST 2 CURRITUCK MEN

Woman Found Unharmed On Highway Shortly After Midnight

Clephus Emanuel Dillard of Currituck and Keath Jones, also of Currituck but now in the army at Fort Bragg, are scheduled to appear in District Court Friday to answer Charges of assault with intent to rape. The charges were brought by Mrs. Norma Elaine Ross of Morganton.

Dillard and Jone are negroes. Mrs. Ross is white.

The Dare county sheriff's de partment said Mrs. Ross and her son, Lewis Michael Abec; a boy friend, Preston E. Coffey; and a friend, James A. Small all of Morganton, were here May 24 to visit Dariu a Collins, a negro. Officers said Collins had been in a hospital with Coffey.

Mrs. Ross and her group found Collins on Good Luck street and were visiting with him and a negro friend, Wallace Berry, according to officers. As members of the grown were talking, officers said, Dillard and Jones stopped. They were waved on once by Collins, but came back a few minutes later.

This time Dillard and Jones alighted from their car and began talking to Mrs. Ross, officers said they were told. It was understood Dillard and Jones were attempting to persuade Mrs. Ross to join them in their automobile.

Members of Mrs. Rose' group left for downtown Manteo in search of a policeman. They found Ken Whittington Mantee chief of police.

Whittington contacted Mrs. Elma Wood, radio dispatcher in the sheriff's department, and See CHARGES, Page Eight,

## **MORRISETTE** OUTLINES ECU PLANS, KIWANIS

Economic, educational and County Program of East Carolina University were outlined by Clayton Morrisette, Director of the program, in a talk to the Kiwanis Club of the Outer Banks, meeting at the John Noble, a member of the faculty Yancey Motor Hotel, last week.

Until recently dean of Chowan College, Morrisette drew charge of the preparations for or his experiences in Murfreesboro since 1960 to preciet that the new East Carolina U. campus on Roanoke Island will greatly enrich the Dare Coast-Outer Banks, "not only financially," he said, "but by encouraging high school students to continue their education."

He reported that when he went to Chowan eight years ago there were approximately 200 students, about 20 faculty members and a budget of approximately \$100,000. "Now," he declared "there are 1,300 students, more than 100 faculty and staff members, and the annual budget is in the millions."

Morrisette also reported that less than 50 per cent of the Murfreesboro area high school graduates went on to college in 1960, whereas about 85 per cent of the high school graduates now continue their education.

The Kiwanians were especially enthusiastic about the four college credit courses to be taught by East Carolina in the T.C.U. and North Texas Uniold Manteo elementary school building this summer. The Outer Banks club, chartered last December under sponsorship of the Elizabeth City Kiwanis Club, now has 29 numbers. Visiting Kiwanians are invited to the supper meeting held each Thursday at 7 o'clock at the John Yancey.

### OWENS RENAMED TO HEAD DARE DEMOS YDC MEET CALLED

Robert V. Owens of Manteo was elected to a two-year term as chairman of the Dare County Democratic Executive Committee last Saturday. Yirs. Estelle B. Tillett, also of Manteo was named first vice-chairman and Mrs. Alva Wise, second vice chairman. Ralph Swain was reained as secretarytreasurer.

# **YDC** Activities

### 'LOST COLONY' REHEARSALS TO BEGIN MONDAY

Twenty-Eighth Production Season Begins Friday, June 21

Rehearsals for "The Lost Colony" outdoor drama of 1968 the 28th production season in Economic, educational and history — will begin in the cultural advantages of the Dare Waterside Theatre on the Fort Raleigh National Historic Site Monday morning.

> General Manager John W. Fox announced that Duncan of the N. C. School of the Arts nt Winston-Salem, will be in June 10 of Director and Chorcographer Joe Layton, Noble is serving as production coordinator for the third consecutive year. Layton is currently in Europe on a vacation after successfully staging the hit Broadway musical, "George M". starring Joel Grey.

Technical and other production leaders of "The Colony" are already on the scene preparing for the first official nerformance on Friday night, June 21, at 8:30 p.m. (EDT). Preview performances are slated for June 19 and 20.

One of the cutstanding new comers to the staff of Paul Green's symphonic drama is Ronald Shirey, choral director. He is head of the Department of Music in the Division of Fine Arts at Dol Mar College in Corpus Christi, Texas. He is bringing with him 17 Texas students, some from his own college and others from S.M.U., versity at Denton.

Three new apartment buildings, located on high dunes phout one mile southeast of the theatre, will house 49 members of "The Colony" cast and staff this year. The buildings and the land are a gift to the Reanoke Island Historical Association, sponsor of the drama. Also new this year will be a 60 x 100 foot Educational Workshop Building in the backstage area of the Waterside Theatre. It will be used for rehearsals, classes and children's theatre productions which are planned

for the summer. Other staff leaders this year include: Randolph Umberger, production stage manager; Irene Smart Rains, costumer; Michael Wiseman, technical supervisor; Susan Palmer and Bill Patton, stage managers; William I. Long, II, properties master; Margie Perkins, lighting crew chief; and Susan Horton, organist.

Among those returning for featured roles in the show are: truder left no tools with which Marjalene Thomas,

# TO BE GIVEN BY KIWANIANS

A \$200 scholarship to the college of his or her choicg will be presented to a graduating senior of Manteo High School at commencement exercises in Manteo Friday night. The donors are the members of the Kiwanis Club of the Outer Banks.

The winner will be announced luring the graduating ceremonies as the choice of a special committee comprising Shelby Hines and Tom Sanderlin of the Kiwanis Club, Jon Pool representing both the club and the high school faculty, and Bone, also of the faculty. Basis for the selection of the winner monetary needs.

William E. Gard, president of the Kiwanis Club which meets each Thursday night at the John Yancey Motor Hotel in Kill Devil Hills, said that the scholarship is one of several youth projects being sponsored by the club which was chartered the sons of the late Captain only last December. Another is Tom and Mrs. Mary Meekins a softball diamond which has Basnight who still resides on been developed at the Kitty Hawk School. The club is raising money for youth work through such projects as a peanut brittle sale and the Banks trea.

Mr. and Mrs. Ebbie Gaskins of Hatteras will celebrate their Golden Wedding on June 8. No invitations are being mailed, but family and friends are invited to enjoy open house operation of soft drink dispens- with them on the occasion of ing machines in the Outer their fiftieth wedding anniver-

## STATE ASKS WATERFOWL HUNTERS TO GIVE BIRDS CHANCE TO EAT

the situation."

State wildlife officials have asked hunters and land owners in once-lush hunting sections of Hyde County to provide additional feed and feeding areas Basnight was assistant to the for migratory waterfowl and to give the ducks and geese time to eat.

Unless something is done to attract more ducks and geese o the area, the waterfowl population wintering at Lake Matamuskeet will shrink even more than it has in recent years, the officials indicated. Last year only 30,000 to 40,000 Canada geese were at the lake. Only a few years ago there were more than 100,000 of the big birds on the water and in the surrounding marshes.

O. L. Woodhouse, chairman of the waterfowl committee of the Wildlife Resources Commission asked for help from hunters and land owners at a public hearing at Swan Quarter on proposed 1968-69 waterfowl hunting regulations. He said there had been repeated pleas for help from the area, but that local people apparently were doing little to correct the situation.

"Can't you local people get together and do something among yourselves "Woodhouse asked, "Otherwise, it narrows down to asking the General Assembly for legislation to control

The town of Manteo refused the offer of a surplus Coust Guard lightship to be placed on the Manteo waterfront as an' historical and tourist attraction.

Mayor Sam E. Midgett said the offer of the ship was turned down "because the town couldn't afford it."

Former Mayor Wallace W. Harvey, Jr. who conceived the idea of acquiring the lightship several years ago, answered in a sarcastic vein when asked to comment on the town action.

"If the town fathers feel the town is not in fiscal condition to promote the town further." he said, "then they have made a wise decision." Harvey resigned the mayor-

alty upon his election as a mem-

ber of the Dare county Board

of commissioners. He was succeeded by Midgett. Midgett said the lightship which had been offered needed considerable repair. It was learned that the 64-year-old vessel was minus both anchors, side lights, life boats, a ship's wheel,

and needed scraping and paint-Midgett said the expense of bringing the 135-ft. ship from Curtis Bay, Maryland, was more than the town could bear. He said that even if a tug owner had offered to tow the ship to Manteo without charge, the cost of the special insurance needed

would have been prohibitive. "We just couldn't afford it," Midgett said. "If we had accepted the ship the town would have had to abandon its waterfront development project."

Midgett said he and board members A. McCoy Tillett, Jr., and Carlisle N. Davis had "talked it over" and decided "we'd"; better stay out of something we couldn't afford." He said Morehead City and Beaufort al/ so had turned down the offer of the lightship on similar
