HAYMAN CLAN'S REUNION, HAPPY ONE; WANCHESE

Adopt A Number of Members; President Re-Elected

By THE CLAN SCRIBE
The Hayman Clan of North Carolina got under way at ten a.m. Wednesday morning July 17, 1953. Rev. L. D. Hayman, the president of the Clan called the Clan to order, and conducted the devotional. Mrs. Rena Tillett, organist of the Wanchese Methodist Church presided at the organ console during the day. Special features of the devotional hour were a solo by Phillip Quidley, and a duet by Misses Hattie Hayman and Lottie Gallop. During the morning program Mr. Quidley entertained the Clan with a series of short catchy skits and songs. Also, Peggy Taylor rendered a piano solo, and Sandra Midgett, sang a solo. Peggy is from Manns Harbor and Sandra is from Norfolk, Va. Uncle Bill Barnett represented the Manns Harbor community in extending a word of welcome. He took the place of Melvin Daniels who was unable to be present to speak to the Clan.

The business dispatch moved on rapidly during the morning under the guiding hand of the President, Rev. L. D. Hayman. The routine of business and reports included registrations of more than two hundred members of the Clan and friends of the group. Matters of Clan history were discussed, and a commission appointed to study the matter this year with view of publishing a revised edition of the present volume with many additions which have come to light the three years of the Clan's history. Also, the chart of Haymans prepared by Southgate Lohman of Norfolk was on display for examination and any minor errors detected. The Family Tree will be ready for distribution at the 1954 session which meets at Hawley, N.C., the third Friday in July.

The Committee on nominations reported and named for confirmation the following to serve as officers for the ensuing year. Rev. L. D. Hayman of Carolina Beach, President; Edward Hayman of Norfolk, Va., Vice President; and Miss Oma Pearl Midgett of Manns Harbor, Secretary-Treasurer. Five new Directors were named to fill vacancies caused by the term of this number expiring this year. They are Mrs. Stella Goodman of Siler City; L. L. Hayman of Coinjock; T. D. Hayman of Wanchese-Norfolk; Charles Aguirre of Raleigh; and Elsie Brickhouse of Elizabeth City. The Clan has fifteen directors as the governing board of its affairs.

At each yearly meeting, it has been a policy of the Clan to honor one or more persons who are strong supporters of the Clan or who have rendered valuable help in programs and otherwise. The policy is not to go beyond the number of three such honors in any one meeting in a year. This year the Board of Directors elected for recommendation three outstanding persons of Roanoke Island as "Adopted members" for life membership in the Clan, and with powers to vote and share in all matters of the Clan's activities. These persons are Mrs. Rena Baum Tillett, organist of Wanchese church, civic and religious leader of her community and county. Melvin Daniels, Register of Deeds of Dare County, an outstanding leader in all affairs of good causes in his county and church. Victor Meekins Editor of the Coastland Times, a fearless leader and editorial writer and whose influence is felt widely in the weekly paper he publishes at Manteo. The Clan feels honored to number these among those "adopted children" on the rolls of the Clan — which number is six to date — the others being Lynton R. Daniels and Gus Montague of Norfolk, Va., and Capt. Spencer D. Murphy of Wanchese. Capt. Spencer is a devoted friend of the Haymans, especially the President of the Clan. The dinner hour was a great one. The 100-foot table laden with the best of food, and another stand with free lemonade and ice cream added to the pleasure of the day. The Clan had nothing but high praise for the entire community of Wanchese for making this a great one in our midst, chief among these being Jimmy Davis, Melvin Daniels, Mrs. Pete Daniels, Mrs. Rena Tillett, Mrs. Les-

PRaised AS LOST COLONY DIRECTOR

CLIFTON BRITTON, who rose from stage manager to director of Paul Green's symphonic drama The Lost Colony, has been highly praised for the show he has put together this season with what many declare is the best trained cast in the history of the production. Highest praise of all comes from Samuel Seldon, supervisory director of the drama, and from magazine and newspaper critics who have witnessed performances this season. Britton is a man with much drama experience and background. In Goldsboro he is founder of the Goldmasquers. The excellent show Britton has produced this year is paying off for the Lost Colony. A total of 12,398 persons had paid to see the show through the first 15 performances through Wednesday night, a total of 1,493 more persons than last year during the same period, or, an average of 826 persons nightly which is 99 more than the nightly average last season. GARDEN PROJECT AT FORT RALEIGH IS MOVING ALONG

State Garden Clubs Are Sponsoring Project on Roanoke Island

Foundations for the most unusual garden fountains ever erected in the United States are now being constructed for the State Garden Clubs' Elizabethan Garden at the site of The Lost Colony on Roanoke Island. The Statues are unusual because they typify the period of Elizabethan England, which the gardens will commemorate.

Since the North Carolina Garden Clubs made the Elizabethan Garden here one of their major projects, land has been acquired, landscaping has been started and the goal of \$10,000 pledged by members of Garden clubs from the mountains to the sea in this state has been reached.

The \$10,000 will see the project well underway, but there will be additional funds available from time to time to see the Garden completed.

This outstanding gift of statuary is from the Jock Whitney South Carolina estate and was first headed for a New York museum of art, but instead it was presented to the sponsors of the local project, through the intervention of prominent Garden club women in N. C.

The statuary has been delivered to Roanoke Island. Under the direction of W. H. Canipe of Fayetteville, the general construction of the garden which adjoins historical Fort Raleigh and is adjacent to Roanoke Sound is now well underway. Foundations for the fountains are now practically completed.

1953 REPORT FROM FUND FOR CRIPPLED CHILDREN

A final report on the 1953 Easter Seal campaign, which is conducted for the benefit of crippled children, was received last week by Mrs. W. B. Fearing of Manteo, who headed the drive for Dare County. The state's quota of \$125,000 was more than raised, total collections amounting to \$136,827.26.

Gross receipts by counties in this immediate area were as follows: Beaufort; \$865.17; Dare \$291.10; Figures for Tyrrell county were not available. No campaign was conducted in Hyde or Currituck. 55 per cent of the gross receipts are retained for use in the counties. 45 per cent goes to the state.

MANTEO ROTARY CLUB ENJOYS A DOUBLE TREAT

P. D. Midgett of Engelhard and a native of Roanoke Island visited the Manteo Club this week on the occasion of his initial official club visit as Governor of the 189th Rotary District, which post he assumed this month.

An inspiring message, covering briefly the history of Rotary and the challenge to do good offered its membership, delivered by him brought much praise from the club members.

More than a dozen out of town visitors attended the meeting, and they were favored by musical selections sung by Mrs. Helyne McLain of the Lost Colony choir, who was accompanied by Gordon Fleming another member of the choir.

Mrs. Helyne McLain who was also a member of this choir last year, was introduced by Club President Dick Jordan as a gifted singer who has recently returned from a successful national tour.

NEW TELEPHONE LINES IN BEAUFORT COUNTY

Sixteen New Subscribers Provided Service in Free Union Church Area

Rural telephone service was provided to sixteen new subscribers recently when the Carolina Telephone and Telegraph Company completed construction of lines to the Free Union Church area of Beaufort County. Completion of the project was announced today by K. C. Wilkerson, Belhaven telephone manager. The new subscribers are connected through the Belhaven exchange.

Wilkerson said that the telephone company built approximately 4 miles of new pole line, strung about 17 circuit miles of wire at a cost of over \$7,000 in order to serve the new subscribers.

Construction of the line was a part of the broad rural expansion program of the Carolina Telephone and Telegraph Company, Wilkerson said, and is one of many projects completed in this area since World War II. Other projects have furnished new service to Washington Park, Shady Banks, Chocowinity, Bishops Crossroads, Bonneton, Edwards, Pactolis, Pantego and the Swindell's Store sections in this area. Wilkerson added that the Company plans to provide additional service to the New Holland and Fairfield sections later this year.

At Fork Union, he will study under the one-subject plan, a system of teaching which allows a student to concentrate all of his time for an eight weeks' period on one course, and to complete the year's work in that course before beginning a new topic of study.

The Belhaven boy will receive ROTC training from U. S. Army officers assigned to the school. Fork Union Military Academy holds the Department of the Army's highest honor rating for prep schools.

FIGHTER SECURITY ON WATERFRONTS BY COAST GUARD

Norfolk, Va., July 22 — Tightening its nation-wide port security program, the Coast Guard announced today that after September 1 all persons working aboard merchant vessels of 100 gross tons or over operating in certain water areas of the United States must possess specially validated merchant mariners documents.

Areas included in the new move are all bays, sounds, lakes, bayous, canals, harbors and other navigable waters of the U. S.

The regulations are an addition to earlier laws requiring crew members of vessels of 100 gross tons or over sailing to foreign countries, U.S. possessions such as Alaska and Puerto Rico, and on the Great Lakes to hold validated documents, which evidence security clearance.

Exempted from getting their mariners documents validated by the Coast Guard are crewmen aboard all craft of 100 gross tons and over engaged exclusively in trade on the navigable rivers of the U. S.

However, many workers aboard these craft are required to have Coast Guard port security identification cards as a result of other regulations which went into effect July 1.

All mariners working aboard craft affected by the new regulations should immediately make application to have their mariners documents validated by the Coast Guard in order to meet the September 1 deadline.

Applications for validation of the documents can be made at Merchant Marine Inspection offices in the Naval Landing building, foot of West York street, Norfolk, Va., in the Chamber of Commerce building, Baltimore, Md., and at the Captain of the Port office, Wilmington, N. C.

TELL HIM SO

If you hear a kind word spoken
Of some worthy soul you know,
It may fill his heart with sunshine
If you only tell him so.

If a deed, however humble,
Helps you on your way to go,
Seek the one whose hand has helped you,
Seek him out and tell him so!

If your heart is touched and tender
Toward a sinner, lost and low,
It might help him to do better
If you'd only tell him so!

Oh, my sisters, oh, my brothers,
As o'er life's rough path you go,
If God's love has saved and kept you,
Do not fail to tell men so!
