BLIND TOM COMING

Next Tuesday Night at the Academy of Music

Ten years have passed since Blind Tom has appeared in this city, and no doubt many people who heard him then will want to go again. He still pleases and attracts large audiences everywhere. The following is from the Indianapolis Journal: "Blind Tom gave a piano recital at English's Opera House last night to an audience much larger than would ordinarily be attracted in as bad a display of weather as there was at the time. Blind Tom was born in Georgia, a chattel of the Bethune family. As to Tom's relatives he has never lacked for brothers and sisters, as his mother has had twenty children, Tom alone being gifted in music. He was born blind, but some years since an operation was performed upon his eyes, which has given him a little vision, barely enough to distinguish between dark and light. "While Blind Tom has a delicate ear for music he is not wholly taken up with the piano, but he likes "to hear the band play," and nothing gives him greater delight than to pound the bass drum. He plays well upon the flute. Off the stage he is simple as a child. He has never been shaved, but cuts off his beard with scissors. When he has them in hand he has to be watched, as he makes dashes upon his hair that are not improving to his appearance. "The programme last night contained seventeen numbers, of sufficient variety to please the audience."

Columbus, Ga., Aug. 24, 1872.
Dr. C. J. Moffett—Dear Doctor: We give your "TEETHINA (Teething Powders), to our little grandchild with the happiest results. The effects were almost magical, and certainly more satisfactory than from anything we ever used.
Yours very truly,
JOSEPH S. KEY,
Pastor of St. Paul Church.
(Now Bishop Southern Methodist Church.)
