Having qualified as administrator of Having qualified as administrator of the estate of Charles Lockhart, deceased, this is to notify all persons indebted to said estate to call and settle with me, and all persons having claims against, said estate will present them to me on or before the 21st day of May, 1905, or this notice will be pleaded in bar of their recovery.

CHARLES H. HUNTER,

Administrator. Raleigh, N. C., May 21, 1904.

A sky rocket consists of two parts-a body and a head made separately and afterward attached to the body.

The body is a straight cylinder of heavy pasted paper, closed at the low heavy pasted paper, closed at the lower end so as to leave only a very narrow opening for the escape of the fire. A central hollow bore extends three-quarters of the way up the body, and all about this is packed the special explosive composition, the downward recoil of which sends the rocket rushing swiftly upward, guided and balanced by the light stick of willow wood.

The head, a paper cylinder with a conical top, holds the special composition which is to form stars, serpents, spirals or what not.

Simplicity Canopy Frames

REMEDIES THE ENTIRE TROUBLE. The Simplicity Canopy Frame is made

from the highest grade Spring Steel, and we unhesitatingly assert that it is the simplest of construction and the most durable of any Mosquito Canopy

ever presented to the people. It is easier of adjustment, being set on metal beds without clamps or screws; with no friction to mar or scratch the bed, and will remain in its position without any motion when being used, and can be used on any cot, wood or metal bed, and this is the only frame that has no rights or lefts to cause confusion.
