NICE TREASURY DEPOSIT

Insurance Com'r Young Today Paid in Over \$27,000. The insurance commissioner, Jas. R. Young, paid over to the State treasurer this morning twenty-seven thousand two hundred and forty-four dollars and sixty-five cents (\$27,244.65), which is an increase over last year's payment of the same date of twelve thousand two hundred and eighty-seven dollars and ninety-eight cents (\$12,287.98). At this rate of increase the receipts of the department will exceed two hundred thousand dollars for the fiscal year. This is certainly interesting to note, especially if we would retrospectively consider things. The time is not forgotten when this department was little more than a name; in fact, when it was not even in name a factor in the departments of the State. Under the administration of the present incumbent it has grown and continued to grow, all of which speaks most favorably of the management of the department.

HEALTH STATISTICS.

The July bulletin of the State board of health reports diphtheria in 11 counties, malarial fever in 16. It says influenza prevails in all parts of Macon county. In Forsyth an entire family of negroes have typhus fever, one of the worst and lowest types of that disease, which is now very rare in this country. Twenty years ago there was a case at Raleigh. The disease was brought from West Virginia. One time it used to be known as jail fever. Smallpox is reported in 25 counties; Puncumbe 7, cases, Forsyth 9, Bladen 12, Faywood 4, Jackson 30, Person 27, Robeson 25, Surry 13. Some of the cases in Jackson are severe.

RE-ELECTION OF SENATOR BATE.

The Hon. Benton McMinn has withdrawn from the race for United States Senator in Tennessee, and this action on his part assures not only the re-election of General Bate, but removes the threats of independent tickets in a number of the Tennessee counties.

"graving out" of the contention over the senatorship." Mr. McMinn has made a hard fight for the place and his disappointment must be very great. In his new term at Washington it is hoped that Senator Bate will become a more active force than he has proved to be during his long and uneventful service in the Senate. The strongest opposition to him was based upon the fact that he had not been a very influential factor in public life, and many of those who supported Mr. McMinn for the place were persuaded to do so because they felt that he would keep himself and his State and section in evidence in the discussion and settlement of all important public questions.

AID A GOOD CAUSE.

Mr. Mark Levy, the Christian Jew, writes to the Times from Montreal, N. C., as follows:

"The Hebrew Industrial Children's Home, Montreal, N. C., was destroyed by fire Saturday afternoon. No one was injured. A new home is in process of erection and twenty-five hundred dollars (\$2,500) is immediately needed to complete and furnish it. Will you not kindly publish the need in your columns in order that the benevolent may have an opportunity of blessing the destitute children? Funds may be sent direct to the matron, Miss Whalton, Montreal, N. C. Thanking you for past favors, I remain, "Sincerely yours, "MARK LEVY."
