

IN SOCIAL CIRCLES

NOW I LAY ME DOWN TO SLEEP.

"Now, I lay me down to sleep: I pray the Lord my soul to keep." Was my childhood's early prayer. Taught by my mother's love and care. Many years since then have fled; Mother slumbers with the dead; Yet methinks I see her now, With love-lit eye and holy brow, As, kneeling by her side to pray, She gently taught me how to say, "Now I lay me down to sleep: I pray the Lord my soul to keep."

Oh! could the faith of childhood's days, Oh! could its little hymns of praise, Oh! could its simple joys be true, Be recreated from the dust, That lies around a wasted life, The fruit of many a bitter strife! Oh! then at night in prayer I'd bend, And call my God, my Father, Friend, And pray with child-like faith once more.

The prayer my mother taught of yore— "Now I lay me down to sleep: I pray the Lord my soul to keep." —Eugene H. Pullen.

NO GREASE OR DANGEROUS DRUGS. In "Herpericide," the New Scientific and Successful Dandruff Treatment. Have you dandruff? Then you have a contagious parasitic disease, unpleasant, unhealthy and one that will eventually lead to baldness. To cure it you must destroy the parasite that eats at the root of the hair. The only preparation for destroying these germs is Newbro's Herpericide. Charles Klein, of Laramie, Wyo., says: "Herpericide allayed the itching, cured the dandruff and stopped my hair's falling out; and it is bringing a new crop of hair." Herpericide is free from grease or dangerous drugs, and makes hair glossy and soft as silk. One bottle will convince you of its merits. Sold by leading druggists. Send 10c. in stamps for sample to The Herpericide Co., Detroit, Mich.
